2007 DIRECTORY & SOURCE GUIDE

## SEATING | EDITORS' CHOICE

The **Sittris** Series of healthcare seating offers maximum cleanability and infection control through innovative upholstery solutions and fabric treatments. Based upon proven seating design expertise, it offers a superbly comfortable user experience. The combination of cleanliness and comfort makes Sittris a high quality healthcare seating option.

**Circle 309**

Foray's organic take on the traditional architectural silhouette softens with shapes that are fluid, while preserving the classic character of the chair. Foray allows the sitter to define the optimal position for sustained comfort while eliminating fatigue. Foray was developed according to **Herman Miller's** Design for the Environment protocol and carries a 12-year warranty.

**Circle 310**

The Sign Guest Chair from **Arcadia** features graceful, contemporary design suitable for conference rooms, executive offices, multi-use spaces, lobbies, libraries and the like. Rectangular steel cantilever frame accentuated with wood arm caps and fully upholstered seat and back combine to bring comfort and flexibility with a solid yet streamlined sensibility.

**Circle 311**

Oasis is a multi-sided seat from **Peter Pepper Products** that becomes a natural centerpiece and meeting-point for both interaction and contemplation in corporate, healthcare, hospitality and educational spaces. Seating up to 10 people, its organic shape offers privacy as well as collaborative areas for groups.

**Circle 312**

# Seating

Beo from **Kimball Office** encapsulates many desirable features of guest seating: visual appeal, physical comfort and dependable value. The collection offers six back styles, a broad palette of upholstery choices and an array of standard finishes. Beo is GREENGUARD certified and exceeds ANSI/BIFMA testing standards.
